

Great Family Center Presentations...

We have two wonderful presentations at the Family Center. First, on **April 17th**, Families First will present "**Shaping Healthy Body Images in Boys and Girls**"...a must see for all. Then on **May 15th**, **Libby Moore** has scheduled **John Ziergiebel, Principal of MHS**, to speak about the MHS Experience. John will be addressing safety, scheduling, placement and any other concerns you have. It is a great opportunity to meet with him. If you cannot attend and want to ask a question, please email me at fivemaags@comcast.net and I will raise your concern.

Keeping the "Magic" Alive

Beth Taranto certainly knows how to keep the "Magic" alive by volunteering to represent MVMS at the Magic Hat. Please contact Beth Taranto at 631.4743 or BMTaranto@hotmail.com if interested in helping. Right now, so few MVMS parents have signed to help that we lost our part of the proceeds!

Speaking of money.....

Every little bit helps. I just received another check from Target for \$136. Yes that's right when you use your Target charge card and you designate MVMS as your school of choice, Target sends the PCO a percentage of your purchases. And boy can it add up! We also receive money from:

- School Pop
- BoxTops
- Crosby's receipts

So keep sending in those BoxTops and Crosby's receipts. You can place them in an envelope and have your child bring them to the front office. It may take you a few extra minutes but it helps the school and thus, our students. Thanks to all who snip, clip and save!

Let's "Do" Lunch

The Teacher Appreciation Luncheon will be on June 6th. If you would care to help, please email **Betsey Quigley at www.quigley.comcast.net**. Betsey has graciously agreed to organize this event for the much-deserved teachers and staff. We have plenty of time but jot it down on your calendar and send an email to Betsey if you care to help.

Seussical Jr. a Smashing Success

This past weekend MVMS was buzzing with talented actresses, actors and crew. *Seussical Jr.*, a musical of Dr. Seuss' stories, was excellent. Great job to all who participated and special thanks to Mr. Dembowski and Ms. Roeder. Laughs were had by all!

MCAS, Placement Tests, etc.

Yes, spring does seem to be the time for flowers and testing. In order to keep the students hydrated, the PCO provides water for our little test-takers. **Phil Padulsky**, food service guru, and **Libby Moore** work together to provide the water at cost. Parents, you provide the students with sleep and snack; the PCO provides the water! Good luck to all!

Dates to Remember.....

April 11th

7 to 9pm TGIF-last one of the year!

April 17th

8: 15 am Family Center Presentation:
"Shaping Healthy Body Images in Boys and Girls"
